**CHINA CAN TAKE
CARE OF HERSELF,
DECLARES SAVANT**

Under the title, "China Can Take
Care of Herself," Berthold Laufer,
Ph.D., an authority on conditions in
China, the author of a number of
works dealing with the country and
its history, has the following to say
in the Oriental Review:

"As a believer in Chinese ideals
and as a champion of China's rights,
my opinion briefly is—The Chinese
were able to govern themselves be-
fore the Six Powers came into exist-
ence. China has tremendous intel-
lectual resources and can perfectly
take care of herself. Most powers
could learn a great deal from her in
matters of practical ethics, economic
principles and state wisdom; not to
speak of art, art-industrial skill, and
the great art of living. The powers
should mind their own business at
home and mend the holes in their own
stockings. China for the Chinese, and
leave her alone.

"I hope to live to the day when the
white peril will be wiped out from
Asia and Africa. There is no shadow
of a doubt that the Chinese republic
will establish itself with success and
will rank as the second greatest re-
public of the world. The Chinese are
born democrats gifted with a keen
sense of decency, justice and equal-
ity, and with a marvelous talent for
organization. The present period may
certainly be one of transition, but we
must give the new government a
chance and fair play, and suspend
definite judgment for several years.

"If the republic should fail, China
will always remain China. For
over twenty years I have had un-
bounded confidence in China's future
and shall never lose this confidence.
I should rather be tempted to the be-
lief that any of the Six Powers might
crumble to pieces than China. China
will always exist, either in this or
some other form of governmental con-
stitution, and will take a lead in the
history of the world as an influential,
civilizing agency. China is the land
of the future, and the future is hers.
It may be that the future will even
import to the world at large a higher
and broader conception of life eman-
ating from a rejuvenated China.

"The best solution of the Chinese
situation will come from China her-
self, as long as the powers keep their
hands off. Japan should not be hos-
tile to the new republic, but welcome
it heartily and enter with it into a
close alliance and amity. The ag-
gressive anti-Chinese policy followed
by Japan in Manchuria for the last
years was a gross blunder. Japan
thus forgot her own historical role
and incurred the animosity of all Asi-
atic peoples. Japan must stand up
for the integrity of China and join
hands with her against the white
man's depredatory aggressiveness.
Learn from the Panislamic Movement
and the Arabs! The powers rule the
world not by means of the intellectual
and moral superiority which they by
no means possess, but because of the
discord among the nations of Asia and
Africa. The storm-center for the
peace of the world is not China, but
Europe. The best means for the pre-
servation of universal peace must be
sought in a counterpoise against the
white peril, in a common understand-
ing and federation of all native races
of Asia and Africa against the insane
encroachments of the infidels. Peo-
ples of Asia and Africa, guard your
most sacred ideals!

FREE IF IT FAILS

Your Money Back If You Are Not
Satisfied with the Medicine
We Recommend

We are so positive that our remedy
will permanently relieve constipation,
no matter how chronic it may be, that
we offer to refund the medicine at
our expense should it fail to produce
satisfactory results.

It is worse than useless to attempt
to cure constipation with cathartic
drugs. Laxatives or cathartics do
much harm. They cause a reaction,
irritate and weaken the bowels and
tend to make constipation more
chronic. Besides, their use becomes a
habit that is dangerous.

Constipation is caused by a weak-
ness of the nerves and muscles of the
large intestine or descending colon.
To expect permanent relief you must
therefore tone up and strengthen
these organs and restore them to
healthier activity.

We want you to try Rexall Order-
lies on our recommendation. They
are exceedingly pleasant to take, be-
ing eaten like candy, and are ideal for
children, delicate persons, and old
folks, as well as for the robust. They
act directly on the nerves and mus-
cles of the bowels. They apparently
have a neutral action on other asso-
ciate organs or glands. They do not
purge, cause excessive looseness, nor
create any inconvenience whatever.
They may be taken at any time, day
or night. They will positively relieve
chronic or habitual constipation, if
not of surgical variety, and the myr-
iads of associate or dependent chro-
nic ailments, if taken with regularity
for a reasonable length of time. 12
tablets, 10 cents; 36 tablets, 25 cents;
80 tablets, 50 cents. Sold in Honolulu
only at our store—The Rexall Store,
Benson, Smith & Co., Ltd., Fort and
Hotel streets.

PANSY'S CENTENNIAL.

This year (1912) is the centennial
of the pansy. In 1812 the daughter
of the Earl of Tankerville took up
from the hedgerows of England a
number of plants of the wild heart-
ease. These were cultivated with
great care, and from year to year she
selected the seeds of the finest re-
production. By this means she made
the pansy a recognized garden flower.
